## Job Advert

**Post – Community Conservation Officer**

**Part-time (One day per week), fixed term (12 months)**

**Salary - £25,000 (Pro-rata)**

**Role Location** – Community Wildlife Garden, Garnant, Carmarthenshire. Various locations in the Amman Valley and working from home.

The Initiative for Nature Conservation Cymru (INCC) is a nature conservation organisation with a vision of a 'Wales with more wildlife in more places, created by a society that intrinsically values the natural world'. We aim to achieve our vision through advocacy, research, species and habitat conservation as well as speaking out for wildlife in Wales.

Thanks to funding from the Mynydd y Betws Community Benefit Fund, Garfield and Weston Foundation and the Waterloo Foundation, INCC are advertising for a Community Conservation Officer to help oversee some of our conservation objectives in the Amman Valley, Carmarthenshire.

We are looking for someone to join the INCC team to work with local communities in the valley to help increase local biodiversity. Specifically, the role will concentrate on two of the Amman Valley's flagship species, House Martin and Hedgehog. In addition to the flagship species the role will also involve running events and activities at INCC's community wildlife garden to encourage more people to get involved in nature conservation.

Application close at noon, Monday 21<sup>st</sup> August 2023
